

## Bloods

Bloods will often bear the “**Dog Paw**”, which is a branding burnt into the skin as a series of 3 circles. The sequence of these circles traditionally indicate different sets.

**“East Side Piru”**  
Blood set tattoo  
discovered in  
New Bedford

Bloods often use “**C.K.**” for “Crip Killer”. Note “**Blood**” across the back.

## Miscellaneous

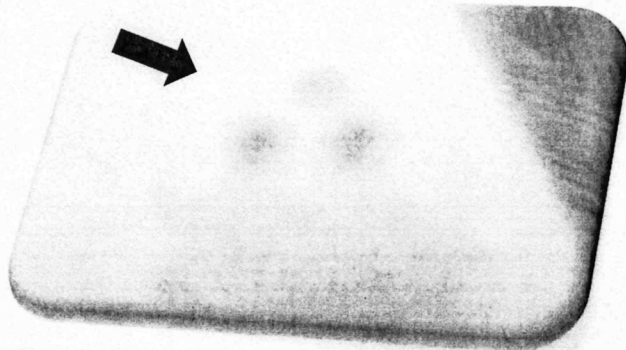

***"M.P." for "Monte's Playground"***

***"Roll calls" and "RIP" tattoos are strong indicators of gang affiliation***

3 dots on the crook of the hand are used by many different gangs, signifying something different depending on ethnicity.

***"U.F." is used to signify "United Front". "U.F.P." is also used for "United Front Posse".***

***Please contact the gang unit with any observed identifiers.***
