Community Care Services

Our Silver City Teen Center Needs Volunteers!

Our young adults have told us that they need safe places to connect in positive ways with their peers and their community.

The Silver City Teen Center (SCTC), located in the original Elizabeth Pole Elementary School gymnasium at 110 County Street, was born to meet that need.

SCTC is staffed solely by volunteers.

We need YOU to make this a success!

Our teens want are asking for tutoring, mentors, support in learning English as a Second Language, adults to supervise them during Teen Center hours, help with getting a job, choosing a career path, budgeting, recreational opportunities and art activities.

***Interested?* Stop in on Tuesdays or Fridays from 5:00 PM to 7:30 PM, or contact Annemarie Matulis at matulisannie@msn.com (508) 922-7278**
